Hospitality

For the ultimate corporate day out there is no finer facility than the superb marquee. Catering for up to 120 people, the tastefully decorated marquee is situated in the perfect location on the boundary edge. Depending on your personal requirements, the marquee can cater for small intimate groups or much larger parties. So whether you would like to book a table of 10, or a much larger group, the choice is yours. In addition, the opportunity also exists to hire half of the marquee for a private, fully catered function.
